MONTHLY NEWSLETTER

Dear The Signworks,

We hope you enjoy our new monthly newsletter. It will contain company updates and other useful information to help you through you day!

Make sure to take time out of your busy schedule to attend the 18th annual

San Carlos Art & Wine Faire in October! Click on the picture to find out more!

If you received our newsletter last month, don't forget about the promotion for the art & wine faire through October 10th!

Each month we will be featuring a product or products to offer to our customers at a discount price. For the month of October, we will be featur

Custom Fabricated Dimensional Letter Logos

We are offering to you a 10% discount off all new orders*. Hurry as the offer only applies for projects that are ordered in the month of October! Request your estimate through our website - www.the-signworks.com - mark the project name "October Special Estimate Request" to receive your 10% discount!

*offer does not apply to existing estimates or orders.

What is the latest SCOOP? In San Carlos? In the Bay Area? At your office? Send us **your SCOOP** and maybe we will use it in our newsletter! If we do, you will receive a \$25.00 certificate to use against your next order sure to include pictures!

For the first SCOOP - Jan & Jack's oldest son just had his first child! I'm not old enough to be a Grandma! Her name Allison Faith Saunders! They live in Lubbock, Texas! Her prognosis is to follow in her Grandmother's and father's footsteps to be a great volleyball player - maybe she will be the next Misty Mae-Trainor or Kerri Walsh!

We can't forget about our other beautiful granddaughter (child of our daughter) who is almost 6 years old now! She be the next Miss Bay Area I am sure!

October Timely Fix-It Tips from Orchard Supply Hardware:

Clean patio furniture and prepare for winter storage. Protect metal surfaces with auto poli
 Refinish wood surfaces, as needed. When you store patio furniture for winter, air should
 circulate around items that are stored beneath plastic tarps. Never completely seal outdoor
 furniture in plastic. Legs, particularly those made of wood, should be supported off the gr
 by placing them on blocks made of a water-resistant material.
